

CANINE CANDY CANES

1 Refill Box	PetCakes Cheese mix (ALL 3 packets)
1/3 cup	Water
2 Tbsp	Plain nonfat greek yogurt (sugar-free)
1/2 tsp	Peppermint flavoring
1 drop	Red food coloring*

You will also need extra flour for rolling out dough and non-stick spray.

STEP 1: Mix all ingredients and form into a dough ball. Refrigerate for 1 hour.

STEP 2: Heat oven to 350°F. Remove dough from refrigerator and separate into two equal balls, placing one off to the side. Add red coloring* to only one dough ball, mix in to dough thoroughly.

STEP 3: Starting with the white ball first, separate into 6 portions and roll out long strands

about 12" long and keeping an even thickness. Half the strands to 6".

Repeat step with red dough ball.

STEP 4: Place one red and one white dough strand together and twist together.

Curl down one end to form candy cane shape. Place on greased cookie sheet and Bake for 20-25 minutes.

Freeze until ready to serve. The more cooked they are the longer they will last.

**Substitute red food coloring dye with beet powder for a healthy alternative.*
